Dear Ben,

Thank you for your recent letter. I was happy to hear from you again. I hope that you and your family are well.

So, in my letter I would like to tell you about one person and street which is called by his name. Well, in my town there is a street with name "Lenina". Vladimir Ilich Lenin was a famous historical worker. He has done many important things for our country, which was a decisive factor for next political changes. Besides, Lenin visited my town and has written one of the most important parts for USSR.

As for the design of the street, it is beautiful usually. It is located in a center of my city. There are central park, libraries, music school and house of culture there. It is known to be a facility of comfortable spending free time for humans. Our urban management try to support the view of Lenin street in a clean way. This street is an embodiment of historical and culture of my town.

And what about you? Do you like your town's view? What is the most popular street in your city? What is its name? Do you like to spend your free time in this street? Why?

Sorry, I must finish my letter cause I have a homework for tomorrow. I hope to hear from you soon. Say "Hello" for your family.

Best wishes,
Vanya
