Dear Head of municipality,

I think that it is really ^{name} great idea to give for a new street a name of an outstanding person. I have a suggestion what the person's name it can be.

I consider that the best street should have the name of great Russian poet Pushkin. In my opinion, it will be the best name for a new street because it can lead to raising of popularity of the poet and his works among people of our village and its visitors. It is necessary, because nowadays people are forgetting about works of people who made a great work in literature of our country. This name for the street will be one of the facilities to raise the knowledge about Russian literature and its authors. Also I have ideas how the street can be decorated. It have to show life and works of Pushkin. For example, houses can be such as ~~a~~ books with names of Pushkin's books. On the walls can be illustrations from his book. I think it is necessary to make ~~a~~ Pushkin's monument to know how the poet looks like. All the street need to be an embodiment of Pushkin because it ~~is~~ will help to interest people in literature. I think it will be great to make ~~stand~~ walls with his ~~popular poem~~ the most popular poems. For children we can make a park with monuments of characters from the poet's ~~fairys~~ fairytales. It's important ~~to~~ to give a love ~~to~~ to literature for children, I think.

Thank you for reading my letter. I hope you will approve my suggestion to give a name of Pushkin for ~~the~~ ~~new~~ a new street.

With the respect,
Maria.
