to school authorities
from Student Committee
20 november 2024

Dear school authorities,
with all ^{our} respect and best wishes, we, Student Committee,
have a proposal.

Soon the Year of the Family will be, and we want to make
an even "a Family concert". It will be a concert for families and just
teachers and student. There will be It will include dances from our school
ensemble, few songs from volunteers, two little plays on a scene and,
of course, poetry.

We will invite a director of our school too.

We hope you'll agree on our proposal because the Family
year is very important and contain a great value.

A family is an foundation of our society and we all must respect
those people who contribute to our country, they are truly heroes because
it is not cheap and it is not easy to raise a child, it is very hard. Although
children can make adults lives more interesting and bright so it cost
it's cost.

We hope you will share mutual obligations with us and
you will help us to find a hall for an event. Together we can at-
tain our goal to express our respect to families.

May you have everything good,
with all best thought about you.

Student Committee.
